Steinberg am Rofan

sebastianbrandhofer Tranquillo, VIII, Guffert
Eine eher selten begangene, aber gute Tour von @ralf.sussmann im schönen Rofangebirge. Eine feine Mischung aus Platten-, Riss- und Wandkletterei.
Cams 0.3-3 empfehlenswert.

Tranquillo, Rofan
A rarely climbed route up Guffert.
A good mix of slabs and euro cracks.
Cams 0.3-3 recommended.
